Quote of the Day

"And so I went to the United States Congress and said, here's my plan, here's what I want you to consider. I want you to consider how to make this economy grow. I want there to be one thing in your mind when it comes to debating what's right or wrong, and it's not politics, it's helping people find a job in the United States of America ... I want to thank the House of Representatives for voting on a good plan. It's a good start. And now it's up to the Senate to follow suit."

-- President George W. Bush, 5/13/03, referring to the Jobs and Growth Reconciliation Tax Act of 2003
